One CPD point will be awarded for each hour of learning.

Please complete all sections of this application (if handwritten use **BLOCK CAPITALS**) and return along with a summary of the event you wish to be recognised. Failure to submit sufficient information may result in delay.

The charge will include provision of a Unique Event Number (UEN) and CPD logo which you should issue to delegates upon completion of the event and may use when promoting the event. Delegates can reference the UEN against the CPD points awarded for the event in their records.

Send remittance via BACS transfer (*BACS details will be sent upon invoice*) or credit card using the invoice number as reference.

**PLEASE NOTE:** In order to gain authorisation for use of our CPD logo your event/activity must not be totally commercial and must include educational content. E.g. Giving instruction on a piece of equipment supplied by your company is acceptable as this has a learning aspect. The Water Management Society reserves the right to attend any of the scheduled events, and should be given joining instructions free of charge upon request. Use of the logo does not imply that WMSoc has accredited or endorsed your event or product and you must not imply this even by word of mouth.
